

ANGEL FOOD MINISTRIES SAVES YOU MONEY ON GROCERIES!!

Angel Food Ministries is a non-profit, non-denominational organization dedicated to providing quality groceries at deeply discounted prices since 1994. Angel Food feeds over 500,000 families a month across 35 states and is now available to your family through the three Katy churches listed further below.

Angel Food's groceries are sold once per month in a quantity that can fit into a medium-sized box. A box averages 18 food items for only \$31 per box (including \$1 for packing supplies). Each month's menu is different than the previous month and consists of both fresh and frozen items with an average retail value of approximately \$60.

Generally, one unit of food assists in feeding a family of four for about one week or a single senior citizen for almost a month. The food is all the same high quality one would purchase at a grocery store. This is not a food bank. There are no second-hand items, no damaged or out-dated goods, no dented cans without labels, no day-old breads and no produce that is almost too ripe.

Also offered are specialty boxes such as steaks, chicken and pork. Many participants in this bonus program appreciate the expanded choices. Additionally, there is no limit to the number of units or bonus foods an individual can receive, and there are no applications to complete or qualifications to which participants must adhere.

Orders and distribution are handled by church host sites. Orders are collected by the host sites during the first part of each month. These orders are then turned in to the Angel Food main office in Monroe, Georgia, on a predetermined date. Several days later, in the same month, the food is delivered to the host site by a pre-arranged delivery mode. Host sites box the food so it is ready for pick up on Distribution Saturday between 9-11 am.

Please note that some host sites have earlier order deadlines.
Please contact your local host site for that information.
